

## **U19 'The North' Fall Ball**

**August 24 - Oct 14**

### **Information:**

After a Covid-shortened season for all U19 AAA softball athletes, Central Energy and 'The North' Softball Club are pleased to offer a fall softball experience for 2021 U19 AAA student/athletes. **'The North' Fall Ball** program will emphasize skill development and game play in a calm, professional atmosphere. Teams will play at least one double-header under the lights (7 inning games) per week and engage in one two-hour team practice every two weeks with their assigned coaches.

Teams will practice and play at Rotary Republic of Manitobah Park in Portage la Prairie on Diamonds #1 and #9. They will participate in a ten week fall schedule which will be held outdoors and may be extended depending on weather. Teams will be created by 'The North' Fall Ball organizers and will include players from all 8 AAA MPSL organizations.

### **Who should join?**

Any 2021 U19 AAA athletes (2002, 2003, 2004 YOB) who are looking to extend their season and further their softball skills and knowledge of the game while connecting with other like-minded individuals. The program is limited to 36 players and teams will be comprised of athletes and coaches from across Manitoba. This is an opportunity to connect with new people, extend the softball season and learn from new coaches.

## **Tentative U19 'The North' Fall Ball Schedule:**
